Guild News

Dear Guild Member,

I hope this note finds you well. I do apologise for the delay in the emailing of this newsletter. I have been in Canada for a couple of weeks.

A special thank you for the annual membership subscribers who have sent in their subscription renewals. We value your continued support.

In the next month, a number of events are happening including our AGM – being held in London for the first time. I hope to see you soon!

As always, comments and suggestions are all welcome.

God bless, *Margaret Wickware*
